Education

Sahyadri College of Engineering and Management	2023 -2027
<i>Bachelor of Engineering in Computer Science (AI & ML)</i>	CGPA: 8.38
Vishwa Mangala Pre University College	2021 – 2023
<i>PCMB</i>	

Skills

Languages: Python, JavaScript, TypeScript
Frameworks & Libraries: React, Next.js, Tailwind CSS, Node.js, Express.js
Databases: MongoDB, PostgreSQL
AI / ML: NumPy, Pandas, Matplotlib, Scikit-learn, Data Preprocessing, Model Training
Tools: Git, GitHub, Docker (Basics), AWS (Basics), Postman, NPM

Experience

Academic & Practical Experience	2023 – Present
<i>Full Stack & AI/ML Student Developer</i>	
<ul style="list-style-type: none">– Developed full stack web applications through coursework and self-initiated projects– Built responsive UIs using React, Next.js, and Tailwind CSS– Designed RESTful APIs using Node.js and Express.js– Worked with MongoDB and PostgreSQL for backend data management– Applied ML fundamentals including preprocessing and model evaluation	

Projects

Personal Portfolio Website	<i>React, Next.js, Tailwind CSS</i>
<ul style="list-style-type: none">– Designed and developed a personal portfolio showcasing projects and technical skills– Implemented a modern, responsive UI with clean visual hierarchy– Optimized performance and ensured cross-device accessibility	

Achievements

-
- Participated in multiple college-level hackathons and coding competitions
 - Built functional prototypes under strict time constraints
 - Recognized for strong problem-solving and collaboration skills

Extracurricular

Student Developer

-
- Engaged in peer learning, coding discussions, and technical workshops
 - Collaborated on small projects and knowledge-sharing initiatives
